BURNER'S

WHITE SULPHUR SPRINGS,

appreciated.

In addition to the Springs proper, there are a number of others in the vicinity, the principal of which are: 1. The celebrated Mountain Spring, 160 yards distant; 2. The Cold Spring, a whort distance from this; 3. Immediately above is a Chalybeate, sending forth a limpid stream; 4. To the south from the Springs, about these quarters of a mile, gushing from the mountain side, in the Sweet Chalybeate Spring. The new Spring recently opened a mid the centility group of willows that shade the Sulphur Springs, and which is believed to possess peculiar medicinal qualities, completes the list.

repared for the nourishment of his frall body.

We will state, for the benefit of those who may not be ware of the fact, that we own a large farm attached to he Springs, where persons can have their horses pastured are stabled as they may prefer.

The Bag will be furnished with the choicest Liquous,

figura, Tobacco, dc.
An attentive outler will be in attendance, and acryants
of the different departments of the house; and everything
hall be done that can contribute to the councit of the

ests.
Persons visiting the Springs from the North, can leave

Laltimore in the morning, and arrive here the next mornag by the way of Winchester and Woodstock. Persons
from the South, will leave Staunton in the morning, arrive
at Woodstock to dinner, and the Springs to tea.
Por the amusement of those who may wish to participale in such exercises, a Ten Pin Alley has been erected.
A Bath House, with everything requisite for Hathing,
has been erected for the accommodation of visiters.

The Oil of Grape Vine.

Tills oil in the result of twenty years investigation by a French Physician, and in now extensively used in French Physician, and in now extensively used in French Physician, and in now extensively used in restoring it in hald places.

This out is particularly recommended, as it will render the Star now, glossy, and pliable, besides making it about two chades sarger.

Pressure only by Dr. Fontain, Paris, 20cts per. bottle.

Extract from a letter received from a Physician in Md.

LAMBIDGE, Md., Oct. 6th, 1830.

Mesars. Sards, Gentlemen:—My ittle daughter was afflicted for along time with Sore Head and Eyes, and by using your Sarsaparilla, was perfectly cured, other medicines and Salsaparillas having failed to relieve her. Having used it and tested its efficacy. I now confidently recommend it in preference to any other, as it recens to possess propretes not contained in any other preparation; and I find that purchasers after they, have used it, invariably want the same article again, whenever they require a medicine to: which this is recommended. Respectfully yours, which this is recommended. Respectfully yours, I.b. Prepared and sold, wholesale and retail, by A. B. & Dr. SANDS, Druggists and Chemists, 100 Fulton St., corner o William, New York Sold also by Druggists generally throughout the United States and Canadas. Price St per bottle; six bottles for Sa. They send to that the work of Nature's own labratory of the south and cast until it reaches the westen base of the Mansanutten, from which is presented to the eye of the beholder one of the most enchanting landscape views in the country. To the south, south cast, there are a number of mounds, rising up at distances of from 25 to 100 years, and from 25 to 100 years, and warres of plates of the person daily the person

THE principal object of this Institution, is to afford young men an opportunity of obtaining a thorough and I timate knowledge of Pouble Butry Book Keeping, and its application to husiness operations generally. Applicants can enter College at any time and attend both day ard evening. The course of instruction is such, as will enable the student to take charge of and coviduct on scientific Principles, any set of Double Entry Books on completion of the same.—PERMANSHIP—TO write a free and legible hand is a desirable accomplishment in the education of young gentlement for every procession, and more participally to those who are desirous of qualifying themselves for mercantile and business pursuits. This department is now conducted by P. R. Spencer, of Ohio, author of the Spencerian system of Pennanship, a gentleman well known throughout the country, as an accomplished penman, and also as one of the most guecessful teachers of the age.

Communications addressed to O. K. CHAMBERLIN, will-receive prompt at testing. beautiful group of Willows and assaus the Suppair Orthogonal which is believed to possess peculiar medicinal qualities, completes the list.

Visiters coming from the North or East, can enter the picturesque valley through the narrow passage formed by the proximity or he mountains, about tweive miles to the north east from he Springs. The rugged grandeur of this natural defile, the lucks towering to the very clouds, stilkes the traveller with awe and admiration.

On arriving at the Springs, the invalid has at once withdrawn from the case and perplexities, toils and monotony of the bing, world, and may recuperate his exhausted energies by qualifing the pure waters that incessantly flow around him, and partaking of the rich vianda that are daily prepared for the nourishisseut of his frail body.

We will state, for the benefit of those who may not be

REAL FIRE PROOF SAFES. MORE PROOF OF THE SUPERIOR QUALITY OF MESSES. BURKE & HARNES CELEBRATED FIRE PROOF SAFES.

HE character of these Safes, in St. Louis, was bef well established, that any further test or proof THE character of these Safes, in St. Louis, was before an well established, that any further tent or proof of the fact of their being superior to all others, would have been unnecessary; but in order to accommodate Mr. Hall, the patentee and maker of "Hall's Patent Concrete Safes," which has burnt up all other makes of any note in the United. States, (Wilder's patent included,) we took up his challenge and the result is given below by the Committee who super-intended the burning of the Safes. We only regret that they were not left in the furnaces two hours longer.

The Safe which we tested is to be seen at our Store, and we invite the public to call and examine it as we feel confident that no one will ever doubt their fire proof qualities after having seen the specimen which passed through the fary ordeat on the 16th of June.

Sub Agenta for the Manufacturers, No. 13, Levee, and No 5c Com. Street

The undersigned, a committee appointed by E. Hall, our behalt of Hall. Bodd & Co., of Clincinnati, and Messra. E. R. Violett & Co., as agents of Messra. Burke, Barnes & Co of Pittsburg, to test the fire proof qualifies of the sales made by their respective principals—report, that we have that day subjected a Sale of each manufacture, of similar size, which had been in use two years, in overs to a fire made with dry oak wood, and Pittsburg stone-coal, for the space of five and a half bours, and during that time, we believe the heat applied was far greater than that in any ordinary conflagration, that the contraction of that time, on taking the sales from the furnece, and cooling them down, we found that the true casting on both was in places entirely burnt off, but that the books were uninjured; and on opening, the sales we found books and papers entirely uninjured, except alightly by the water used in cooling off.—I this we found to be for ease with with sales, and the only perceptible difference in the appearance of the interior was that the warmsh on the wood-work of Burke & Barnee's sale that the variath on the wood-work of Burke & Barnee's sale that the variath on the wood-work of Burke & Barnee's sale that the variath on the wood-work of Burke & Barnee's sale that the variath on the result of this test, we have no heading then in recommending the safes of both parties to the conhelence of the grable.

CONSUMPTION CURABLE! Hobert Sanderson, Justice of the Peace in Rush Greel ownship, Fairfield county, Ohio, and brother of "Majo-ieneral Sanderson," anofiber in the war of 1812, cured busumption by the use of "Wistar's Balsam of Wild

Consumption by the use of "Wistar's Halsam of Wist
Cherry."
Rush Creek township, Fairfield co. Feb. 25, 1832.

Pear Sir.—As I consider that my life has been greatly
prolonged by my being cured of Consumption by the use o
"Dr. Wistar's Halsam of Wild Cherry." I will state the
symytoms of my case, that others similarly affilied may be
induced to try this invaluable remedy. I experienced great
difficulty in breathing; had the hectic fever with violen
flushes of heat and frequent cold chills, with severe pain it
my side and breast accompanied by a very bad cough; wa
very restless at nights, and had great night aweats, perspir
ring. I should say, at least two gallons a night, wetting the
bed completely through. I had not been able to work fo
scars. But I was much emaciated, and almost helples
when I commenced using Wistar's Halsam of Wild Cherry
I have used in all 13 bottles, had I am now free from all thos
complaints, for my health is good.

I am mow 65 years old, and have not taken any of th
Balsam since 1846, because my health is so good as not t
require any medicines. But if I should have any return
my former symptoms, I should use Wistar's Halsam of Wild
Cherry. I procured the medicine of Mesars. Fall & Mc
Gracken, your agents in Lancaster, Ohlo.

Dr. Guysott's Improved Extract of Yellow Dock and Sarsaparilla.

THE ORIGINAL AND ONLY CENUINE PREPARA
TION FOR THE PERMANENT CURE OF CON.
SUMPTION AND DISEASE OF THE LUNGS
WHEN THEY ARE SUPPOSED TO BE
AFFECTED BY THE ERRE USE OF
TERCURY, IRON, QUININE,
&cc., &cc., &c.

AFFECTED BY THE ERRE USE OF "IERCUTY, 1RON, QUININE, &c., &c., &c., &c., &c., &c.

Let all who wish to purge the blood from impurities, and prepare the system to resist epedendics, resort to "Guysott". Extract of Yellow Dock and Sarsaparilla,", which is preving itse, an antidote for many of the most mal ginant diseases that flesh is beir to, and they will never be disappointed, for in this remedy the yubic faith has never wavelednesses that flesh is beir to, and they will never be disappointed, for in this remedy the yubic faith has never wavelednesses and waver, for it, is founded on experience, just a founded on experience. They fly from inherent nostrumations, life mad vigor from this purely regeleble remedy, however broken down in health and spirites—however to be a founded on the result of the patient only understand that his hope is coatoration lies only in "Guysott's Extract of Yellow Doc and Sarsaparilla," and persuade him, for his life's sake, it try it, and we have no hesitation in predicting his speed restoration to health.

The "Shaker prepared "Yellow Book," and the "He-Honduras Sarsaparilla," and ele forvaluable schiedial agent from which Dr. Guysott's Improved Extract of Yellow Book and Sarsaparilla is formed, and Laboratory of Br. Guysott has given in the vittees of these roots in their perfection. His preparation contains all the restorative properties of the coots, combined and concentrated in their utmost strength and efficacy.

Experiments were made in the manufacture of this medicine uptil it was found that it could not be further improved. Accordingly, we find it resorted to almost universally in cases of Hequito, Scorbuile and Cutaneous complaints for general prostration of all the vital powers, and all floss formed and so inquirous of the patienca and so inquirous of the patienca and so inquirous of the patienca and so inquirous of the patiency and so inquirous of the heath.

The following case of Henalsh Highes is one of the nost automising on record. After forty years sickness, twe yea

Tallapoosa Co., Ala., Jan. 2, 1852.

Dr. Guysott—Dear Sir:—I send this to certify to you that your Extract of Yeliow Bock and Sarsaparilla has per formed one of the most wonderful cures on me that has ever been affected on man.

Thave been afflicted for forty years with irruptions on my iegs and feet; in 1848 they got so bad that had to go on crutches, and in 1849 I had one leg amputated above the knee. In about 9 months after my other leg broke out in large eatling and running sores from my knee to my foot, and discharged a great deal of offensive matter, and at the same time my left hand broke out in

and from numerous betakerts and specificals. This fact shows clearly selections from for egn reindicals. This fact shows clearly the high estimation in which they are held by the intelligent leading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their things the proposed of the stables of the same time my left hand broke out in searly 10 my elhow.

The misery that I have suffered for the sast two years I cannot describe to you; I was in such agony that I never existed day or night. I was given up to die, and by the help of God I had made preparation for death, and had shades above indicated, yet but a small portion of their

restablished on a firm babis, and with a second and in the contents in devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other fournals of their class. \*\*Blackscool\*\*, Still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of hulwer and other literary motables, written for that magazine, and first appearing in its colouns both in Great Bittain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials, of which numerous vival editions are issued by the leading publishers from the pages of Blackwood, after it has been issued by Messus Scott'& Co., so that Subscribers to the Reprint of the Magazine may always rely on having the earliest reading of these fascinaling tales.

Scrotifa, Syphilia, Mercurial complaints, Cancer, Gangre re, Rheumatism, and a vast variety of other disagreea ble and dangerous diseases are speedily and perfectly cured by the use of this medicine.

Dadeville, Alabama, May 21, 1852.

Messrs. Scoville & Head:—This is to certify that about the first of February last, I was affilicted with three or four painful soies on and about the face, some of them as large as a quarter of a dol ar, they assumed the appearance of Cancers, and I was fearful they would terminate in Cancers. About three weeks since I chmmenced taking "Boctor Guysott's Extract of Yellow bock and Sarsaparilla," and found immediate relief from its use. I have not taken quite two botties, and the sores on my face are all healed up; and those on my neck are nearly so; and I truly believe they will be entirely well in a few days.

I cheerfully recommend "Dr. Guysott's Extract of Yellow Bock and Sarsaparilla" to persons afflicted with any kind of eruptions, or cancerous sores. My general health in much improved by the use of the medicine.

Respectfulty. RICHARE B. BURK K.

The Heroic Women

HISTORY.

Comprising some of the most Remarkable Exam ples of Female Courage, Disinterestedness and Self-sacrifice of Ancient and

BY HENRY C. WATSON, UTHOR OF "THE CAMP-FIRES OF THE REVO LUTION," "NIGHT IN A BLOCK-HOUSE," &c. To set before the women of America examples for imit To set before the women of America examples for imitation in the most trying circumstances, may be stated to be the object of this book. Be To-queville, a French four ist and writer, of considerable lame, has truthfully said that in the U. States, "Women Govern." In no country upon the earth is the sex so generally respected and so deferentially consulted. Our society possesses the cream of the days of chivatry, with much more emightenment. A herocard women is almost an object of worship. Men have been pade great and heroic by Plutarch's "Lives"—stimulated and inspired by the contemplation of excellence. Let the reading and study of such a work as the "Horoic Women" become common, and our wives, mothers, sinciers, and daughters, will become more renowned for resolution, continude, and self-sacrifice than the Spartan females were to old. The ensuing jeges include nearly all the famous instructed frinate heroism, with many that are not less remarkable, but less generally known; among which may be

PETERSON'S Lady's National Magazine. Only 81,25 to Clubs where other

Magazines are 82. BUITED BY ANN S. STEPHENS & C. J. PETERSON.
The continued increase in the subscription list of this the observed and any or the continued increase in the world, stimulates the propiletor to Lew Ciforts. Determined not to be outdone, he offers the

GREAT INDUCEMENTS FOR 18:2. GREAT INDUCEMENTS FOR 1822.

The January humber will be ready by the first of Dec., and will be, in all respects, a double number, and superior o most Annuals. The earliest subscribers will receive the most perfect impressions of the Mexzotints, Colored Engavings, &c. The humber allogether will be the most cautiful we have ever published.

PARIS AND BLOOMER FASHIONS BOTH No other Magazine has ever attempted to rival this in re-porting the lashions. It is, in fact, always a month ahead of all rivals. To each magnificently colored Plate, is added a fun letter-press description, giving information on all the latest Styles, received direct from London and Pails. In order to suit. 31 tasts, the 'Eddiese' National' or 1822, will Latest Novice, received direct from London and Paiss. In order to suit all taste, the 'Exadesi's National' for 1822, Will will report the Blowner Fashions. These will be given in superb Colored Plates, showing the pretitest and iscess states, as worn in Boston, New York and Phile Leiphia.—Ladies who adopt the Bloomer, as well as those who adhere to the Paris atyles, will find this, in Snort, a complete World of Fashion. The other embedishquents will also be World of Fashion. The other embedishquents will also be antivalled; they will be of every varietty, as, for instance: Magnificent Merzotints; Line Engravings; Colored Flowers; Tinted Embellishments; illustrations for Embeddery; Crotchet Work, and Hair Work, &c. &c.

Mrs. Stephens after an absence of nearly two years in Europe, has returned to America, and in addition to a Novel and Tales from hor pen, will contribute a series of 'Sketches of Travels Abroad;' which alone will be worth the subscription price. And in addition to this, the entire corps of contributors, comprising all the best Fennate Authors of America, with many new and brilliant young writers.

HEST LADIES; MAGAZINE IN THE WORLD

BEST LADIES MAGAZINE IN THE WORLD. To convide this attractions for 1859, and lender it the best Ladios' Magazine in the world, the Proprietorias consacted for a Series of Illustrated articles from competent ands, on Horsensanship, Horticulture, Crotchet work, assimutable ombroidery, and New Household Receipts, note complete than ever yet published in any periodical—bastly, it is a Magazine of pure morats, and invaluable, on hat account, in the fanniy.

PREMIUMS FOR CLUBS.

To repay persons for getting up Clubs, the following splendid premiums will be given. For a Club of Thice, either the full length 'Washington,', the picqure of 'Children Balhing,' or the superb new 'Premium Plate for 1832,' now being engraved. For a Club of Eight, say inco of these Plates. For a Club of Sixtern, either of these Plates and an extra copy of the Magazine. All the premium plates are of the largest size for framing, and no one cetals in Philadelphia for less than Two Dollars. Such unexampled inducements for getting up Clubs, were never before offered. Address, post paid,

Bechanges, Bennefacturers and Inventors.

THE Elemin Volume of the SCIENTIFIC AMERICAN commences on the 18th of September. It is principally devoted to the diffusion or useful practical knowledge, and is eminently calculated to advance the great interests of industry—Mechanical, Manufacturing and Agricultural—the genius and master spirit of the unition.

It is unrivalled as a Journal of the Arts and Sciences, and maintains a hige character at home and abroad.

The Publishers pledge themselves that the future volumes shall at least equal, if not surpass their predecessors. Among the subjects chiefly brought forward and discussed in its columns, are: Civil Engineering, Agriculture, Railivolas, Bridges, Agricultural Implements, Manufactures of Metal, Fibrous and Textile substances, Mariniery for the purpose, Chemical Processes, Distilling, Coloring, Ge., Steam and Gas Engines, Hollers and Furnaces, Mathematical, Philosophical and Optical Instruments, Care, Carriages, Water-wheels, Wind and Grinding Mills Powers, Parming, Pire Arms, Electricity, Telegraphs, Surgical Instruments, Ge., besides Claims or all the Pateints, Reviews, Notices of New Inventions, American and Foreign. The specialist, Ge., besides Claims or all the Pateints, Reviews, Notices in form for binding, contains exerced hundred Engrerings, over four hundred pages of printed matter, and a copious Index. Nearly all the valuable Pateints which issue weekly from the Pateint office are illustrated with Engravings in its columns, thus making the paper a period Mechanical Recyclopeds for future as well as for present reference. Number 1 or to this Volume. It is published weekly; by MUNN. Co., at their Patent Agency Office, 125 Fullou kt., New York.
